Monthly Meetings

Meetings are held the third Tuesday of the Month at 6:30 PM at **Cabela's** which is located at 5225 Prairie Stone Parkway in Hoffman Estates, IL just off I 90 at Illinois Route 59.

We start our monthly meetings with local fishing reports given by our members. Also, door prizes are given away and we have a raffle at each meeting.

Each meeting has an expert fisherman such as Tod Todd, Dale Bowman, Corey Yarmuth or Chauncey Niziol talk about fishing topics that relate to our local area. Recent subjects have included:

- Smallmouth fishing on Lake Michigan.
- Muskie tactics at boatside.
- Lake Geneva walleye fishing.
- A manufacturer's representative presenting new fishing tackle and its use.

Our August meeting is an outdoor family barbecue and picnic. The November meeting is a pizza dinner. The December meeting is our annual Christmas party and Big Fish awards banquet.

There is a \$3 door fee for members and \$7.00 door fee for visitors to attend our regular monthly meetings. The visitor fee is applicable to the annual family membership fee of \$35 if you join within 1 month of meeting.

Club Outings

Our Club holds Outings January through December with some months having multiple outings. Examples of club outings are:

- Ice fishing on the Fox Chain.
- White Bass fishing on the Wolf River.
- Walleye fishing on Lake Geneva.
- Camping / Fishing trip to Clinton Lake.
- Coho charters on Lake Michigan.
- Lake Erie walleye charters.
- Day trip to Lake Shabbona.
- Family picnic & fishing derby.
- Wilderness fishing/camping trips.

Big Fish Contest

You can enter your catch of various species into our annual "Big Fish Contest". Prizes are awarded for different categories at our annual Christmas dinner banquet.

Website

Our newly revised, interactive website, www.arlingtonanglers.com has, among other topics, a forum section that is open to anyone accessing the website. Our Event and Meeting Calendars are also available to website visitors. We continue to enhance our website with new, useful features.
