Anglers Help out Special Needs Kids

Bob Diebold
Arlington Anglers Fishing Club

Every year the Special Recreation Association of Central Lake County puts together a Fishing Derby for Special Needs Kids at a park lake in Vernon Hills.

On July 23rd this year, the Arlington Anglers volunteered to support this great event. Our fishing veterans provided expertise on tying knots, baiting hooks, setting bobbers, casting great distances, and weighing those resulting fish. It was a great day but nothing could match the smiles on some of the fishing derby participants.

A fishing club will introduce you to a large number of new friends that share the same interests and hobbies.

The club will provide outings and trips that you never would have even thought about. It will put together people that are looking for fishing buddies when the "bite is on". You'll find yourself fishing more frequently and in a lot of new places.

See you at our September meeting. Pat Harrison (patharrisonoutdoors.com) is doing a seminar on the *Use of Slip Bobbers and Floats*.
